WTC COMMUNITY WEEKLY

WTC Trailblazer

Explorers assemble!

Starting this month, the WTC complex will play host to its first ever online/offline adventure game called the Trailblazer.

Open exclusively and free for all WTC tenants, the game can be played individually, in pairs or in groups.

Clues will be published on Instagram @wtc.jakarta every Monday and Thursday within two weeks period. Each month will present a different challenge.

There are monthly prizes worth millions for 5 lucky explorers who complete the mission correctly and in time.

So gear up and let your imaginations run wild.
