Happy Easter!

This Sunday, Christians all over the world will celebrate Easter, the Resurrection of Jesus Christ on the third day after his Crucifixion.

Liturgically, Easter is preceded by the Holy Week, which includes Maundy Thursday, Good Friday and Holy Saturday. Now it involves bunnies, egg hunt, and lots of chocolate.

Speaking in regards to the pandemic last year, Pope Francis believed there was always hope and strength to go through the current ordeal if we help and comfort each other. Today the message remains the same.

Wishing everyone who celebrate a happy and healthy Easter.
