

# Happy Holidays

## See you in January!

### BOOST JUICE is Now Open

Another reason to love your workday at WTC Jakarta. Who doesn't love a fresh boost during the day? Just head to the WTC 2 Retail Area and enjoy fresh smoothies and juices for an easy recharge or a refreshing treat, only steps away from your office!

### Growing Greener Together through PAPER TO TREE

A total of **1,833.6 kg** of used paper was collected from 25 tenants across Batch 2 (May) and Batch 3 (October), with live plants or harvest produce from our backyard garden shared in return. A small step with a meaningful impact for a greener WTC Jakarta!

### Midday Music Break with RHYTHM AT WTC

With music and feel-good vibes, Rhythm at WTC added a refreshing pause to the lunchtime routine at WTC Jakarta. Held in collaboration with Recharge Jakarta, the session created a relaxed moment to unwind and enjoy the day together.

### SUMATRA DONATION Drive Update

Thanks to the support of our tenant community, the Sumatra Donation Drive collected **79 boxes** of essential aid, which were distributed through PMI Jakarta Selatan on 23 December. Your care and solidarity truly made a difference for affected communities in Sumatra.

Merry Christmas and  
Happy New Year 2026
