

Inspiring moments in October

Art at WTC

'SANDANG SANDING AGRARIA'

As part of the Art at WTC program, and in collaboration with Sekar Kawung and ISA Art & Design, this exhibition celebrates Tuban's tenun gedog tradition, showcasing the skill, creativity, and dedication of local artisans who keep this heritage alive. It explores how the textiles are crafted and the sustainable traditions the artisans maintain.

Exhibition runs from 29 Sept 2025 – mid Jan 2026 at WTC 3 lobby.

Sharing Session with PaperPods

On 10 October, Jakarta Land and PaperPods hosted a sharing session at CentreSpace, where tenants learned about paper recycling and its positive impact. Everyone went home with a grow kit and a plantable thank-you note.

Paper to Tree Batch 3 is open until the end of October.

Health Talk with Medika Plaza

In support of Breast Cancer Awareness Month, Jakarta Land and Medika Plaza held a Health Talk on 17 October.

A big thank-you to dr. Ummi Ulfah Madinah for sharing her insights and reminding us of the importance of early detection and proactive health care.
