WTC COMMUNITY WEEKLY

Calling for WTC Entrepreneurs!

Whether you realise it or not, everyone's got a little bit of entrepreneur in them. When you start a business, when you sell something, when you initiate new things.

Of course it's not for everyone. It's a skill that needs honing. It often takes years of hard work, long hours, and still it won't guarantee success nor recognition.

But then again, you won't know until you try, right? Well, this could be your chance.

Jakarta Land are calling for all entrepreneurs at the WTC complex to join WTC Entrepreneurs community.

Exclusively for tenants, it will serve as a platform to share your business and expand your network. There will be talks, workshops and competitions along the way. And when the situation allows, there will also be a Public Market Week where you can showcase your products and services directly to potential customers!

To join, complete the registration form on bit.ly/wtcentrepreneurs and text 'join WTC Entrepreneurs' to 0811.1254.737.

Yours truly,
the community editor
