WTC COMMUNITY WEEKLY

Spring Cleaning

It's (still) March and that means it's (still) Spring Cleaning Month!

While Indonesia doesn't exactly have a spring season per se (and not that cleaning should only be done in March!), it's a tradition worth joining in.

Even when you're not quite ready to say good bye to the piles of clothes stacked in the back of your closet, or convincing yourself that you still fit in those shirts, you can follow along, start mid-way, or complete the challenge when you are ready.

Think of it this way: the sooner you clean up your wardrobe, the sooner you'll have the space for other more important things. One or two new clothes perhaps?

And if you don't know where to give away your old and unused clothes, or no relatives to pass them on to, why not bring them up to WTC?

For the next 30 days, we will be running a clothing collection for the upcoming Eid ul Fitr charity. You may drop your clothes (toys and books are welcome too) at the reception desk in all WTC lobbies until April 25, 2022.

This simple act of kindness can go a long way, so let's get cleaning!

Yours truly,
the community editor

1 SHIRT 10 THOUSAND

Donate your old clothes to those in need and we will match it by Rp 10.000 for each accepted piece.

Meaning that if there are 100 pieces of clothing, we will add up Rp 1.000.000 to it. And all will go into donation.

Dropbox is available in every WTC lobby from March 25 - April 25, 2022.

All clothing will be donated to a nearby shelter.

Cash donation will be channelled through UNICEF Indonesia.
