## WTC Entrepreneurs

Jakarta Land are calling for all entrepreneurs at the WTC complex to join WTC Entrepreneurs community.

Exclusively for tenants, it will serve as a platform to share your business and expand your network. There will be talks, workshops and competitions along the way.

By the end of the year, we are hopeful to hold a WTC Entrepreneurs Market. The one week event will allow you to showcase your products and services directly to potential customers!

To join, scan the QR to complete the registration form or text 'join WTC Entrepreneurs' to 0811.1254.737.

Yours truly,  
the community editor
