WTC COMMUNITY WEEKLY

**Secretaries Gathering
17 March 2023**

**Tune In @ WTC
17 March 2023**

March-ing on!

Two months down, ten to go.
March is here. And it has a lot in store for us.

This month, we have two community events at WTC.

The first one is a secretaries gathering for all secretaries at the Complex. This is designed to help create a broader network and at the same time to refresh and upgrade secretarial and administrative competencies.

The second one is a Tune In @ WTC music event. The 2-hour outdoor acoustic session will also provide an opportunity for you to test your singing skill for fun. Free karaoke!

March is also the start of the holy month of Ramadan. Muslims worldwide will observe fasting for 30 days, starting from the 23rd.

And we did a survey last week to find out what you would like to see at the WTC Complex during Ramadan. The results are in: bazaar, *bukber* (break the fast together) and charity.

Well, we hear you and we're planning.

So be sure to check your inbox for our e-mail blast, keep an eye on our digital signage for events announcement, and follow our Instagram @wtc.jakarta for first-hand information.

We have plenty to offer in the coming weeks and you wouldn't want to miss them. Time to get excited!

Yours truly,
the community editor
