### *Smashing Week at WTC*

*"Ladies and gentlemen, on my right, Group A, and on my left, Group B'. A to serve to B. Love all, play."*

These are the standard vocabularies that shall be used by an Umpire to control a badminton match. 'Love' here means zero (0 points). It is used to indicate the beginning of a game or a new set.

And so, you might want to get yourself familiarized with other terminologies before you cheer on your team on WTC Jakarta Open 2023! Men's Double, Women's Doubles and Mix Doubles, we got them all covered!

This Wednesday to Friday, 16 groups will battle it out to bring home the champions trophy for the inaugural tenants-only badminton tournament. All matches start at 3PM and you can find the full fixture on Instagram @wtc.jakarta.

Good luck on all participants and have fun!

Yours truly,  
the community editor
