WTC COMMUNITY WEEKLY

Next One at WTC

Last week, Jakarta Land held its first ever tenants-only badminton tournament, WTC Jakarta Open 2023.

16 companies participated in the 3-day event, competing in grouped knock-out 42-rally points with categories for mix doubles, men's doubles and women's doubles.

Opening the tournament was Bapak Winata Siddharta, Deputy General Manager of Jakarta Land. "Hopefully these kinds of tournaments would create a stronger bond, promote team work and sportsmanship between us all," he said as he wished the teams good luck.

Handing out the trophy on the last day was Bapak Syahzan Kudus, Director of Jakarta Land. The final match pitted hosts Jakarta Land with Medika Plaza where the latter eventually won 2 out of 3 sets.

Congrats to all winners and participants, and see you on our next event, WTC Blood Donation on September 15!

Yours truly,
the community editor
