NEW TENANT AT WTC

As you know, the WTC Complex offers plenty of services and retail options for our valued tenants.

ATM centers, local and international cuisines, numerous coffee shops, a gourmet supermarket, bakeries, gym and fitness centers, a massage parlour, a repair shop, a tour and travel agency, a dry cleaning, a dental clinic, a beauty retreat, pharmacies, a medical facility, and occasional food trucks are available to make your life easier at WTC.

This month, we welcome a new tenant in **Joe & Dough**.

This Singaporean branch serves specialty coffee, handcrafted bakes and hearty brunch from Monday to Saturday at WTC 3 retail podium GF.

A separate room is also available at the premises, perfect for your casual meetings or team catch-ups.
