WTC COFFEE CUP

Coffeeholic! Get excited 'cause next Friday we'll hold the first ever WTC Coffee Cup here at the Complex!

There will be two categories to compete in: Manual Brew & Cup Tester. If you attended the short courses on Manual Brewing and Coffee Sensory throughout February, you will be able to apply that knowledge as the competition centers around them.

Participants will be judged by coffee experts and mentors of the Indonesia Coffee Academy and winners will receive a total of 10 million Rupiah!

This event is exclusive for WTC tenants, so spread the word to your colleagues and get them to join in. The more the merrier!

However, if you don't plan to compete, you can still come to watch and learn. We have quizzes with exciting prizes for the audience too!

Yours truly,

the community editor
