WTC COMMUNITY WEEKLY

WORK AT WTC

The WTC Complex is home to many different types of companies, industries and organizations.

With such diverse communities, we always try to provide and improve our offices and working spaces and cater the needs of our tenants.

If you're feeling bored on your desk, your cubicle, your room, why not step out and work outside? We have coffee shops and restaurants with outdoor seating as well as green, open spaces where you can unwind and enjoy the breeze.

Looking for a quiet and private corner where you can be alone with your thoughts? Try CentreSpace at retail podium WTC 3.

This co-working space comes with meeting rooms, a break out area, a cozy dining hall and two phone booths to keep your calls private. Rent is offered on a short-term, long-term and daily basis. For enquiries, e-mail centrespace@jakaland.co.id.

Yours truly,
the community editor

WHAT'S NEW?

We are now preparing for short, 1-hour classes over lunch time during Ramadan month to keep you entertained.

Share with us your ideas on what kinds of classes you want to attend to our Community number on 0811.1254.737.

Alternatively, DM us on Instagram @wtc.jakarta.
