WTC PHOTOGRAPHY COMPETITION

Following last year's success, the WTC Photography Competition is back for the second year running!

Themed "Life at WTC: Daytime Urban Sphere", participants are encouraged to capture the dynamic energy, architectural marvels, and moments of happiness that define daily life in the bustling heart of WTC.

This competition provides a platform for employees to change the way we perceive and appreciate our work environment. It's not just about visual art, but also about appreciating and celebrating creativity in the workplace and building relationships among employees through appreciation of the beauty around them.

Photographers can also showcase the impact of the World Trade Center Jakarta on society by highlighting the building's role in the city.

The deadline for submission is June 22, 2024.
