NEW EXHIBITION OPENS!

Jakarta Land is delighted to present the **Life at WTC: Daytime Urban Sphere** Photography Exhibition.

Officially opened on Monday, July 15, by JakLand's General Manager, Mr. William Chai, this year's theme encouraged the participants to capture the dynamic energy, architectural marvels, and moments of happiness that define daily life in the bustling heart of WTC Jakarta.

Each photograph was taken by our tenants and judged professionally by black-and-white photographer Chaerul Umam and visual artist Hardi Budi, in association with ISA Art & Design.

12 photos were shortlisted from a total of 101, submitted by 20 aspiring photographers.

PwC's Haryo Adinugroho took home first place while **HSBC's Azizah** and **Century Distribution System's Ira Yuniarti** came in second and third respectively.

You can visit the exhibition at WTC 3 lobby until September 13, 2024.
