## COLLAB WITH OUR WTC COMMUNITY!

Here at WTC Complex, we want you to feel at home. A place where you can not only work, but also live and enjoy.

And this is the very foundation of why we do community events.

You might have participated in one or two; from the likes of blood donation, community gatherings, talk-shows, charity drive, e-waste collection, Paper to Tree campaign, photography competition, Jersey Friday, Kids Play and everything in between.

Next year and onwards, we want to engage with you more. So if you and your company is interested in collaborating with our Community department, drop us a message on [events@jakland.co.id](mailto:events@jakland.co.id) or 0811.1254.737.

We've already drafted some plans for 2025 that you might find interesting so let's get talking!

**Yours truly,**  
the community editor

## WHAT'S NEW?

Year-end bazaars at Conference Hall, WTC 3.

Bring your own shopping bag for a more sustainable environment.

Enjoy shopping and tag us on Instagram @wtc.jakarta!
