THANK YOU, MERRY CHRISTMAS & HAPPY NEW YEAR!

WTC People, we've had so much fun doing all sorts of activities with you throughout 2024 and as always, we are grateful for your participation.

From blood donations, coffee courses, talk shows, workshops, community gatherings, photography competition, 17an, make-up class, trainings, bazaars and Kids Play - you're the reason why it all happened.

We truly hope you enjoy your life at WTC and feel at home with everything that goes on here.

For sure if you have any feedback and suggestions on what you would like to experience next year, feel free to email us or text to 0811-1254-737. The same goes to any company or organization, we are open for collaboration so do get in touch!

Last but not least, thank you for making 2024 so memorable, and wishing you a safe and happy holiday. See you next year!

Yours truly,
