Homecation, The New Staycation

Planning the holiday ahead?

Well, you might want to think it over as the government recently upped the public activity restrictions (PPKM) from Level 1 to Level 2 for the next two weeks.

Not just that, Level 3 will be reinstated from December 24 to January 2 as an effort to prevent a spike in COVID-19 cases and the spread of a new variant, Omicron.

With Christmas and New Year coming up, perhaps it is best to take a *homecation* instead. It is, after all, the new staycation. So get vaccinated and maintain strict health protocols at all times. Let not there be a third wave.

Yours trully,
the community editor
