## Jakarta Land receives JAKREWARD 2021

Jakarta Governor Anies Baswedan presents JAKREWARD 2021 to Bapak Karuna Murdaya, Director of PT Jakarta Land

## *New Year, New Me*

Hello!

It is day 6 of 2022 and as they say, with New Year comes a New Me.

A 'New Me' can be someone who now prioritizes a healthier lifestyle, it can be someone who gets his/her acts together, it can be someone who keeps his/her finances in order. You can be a New You.

And talk about getting things in order, Jakarta Land are proud to inform you that we have received JAKREWARD 2021 as one of the best Land and Building (PBB) taxpayers.

The award was received by Jakarta Land's Director Bapak Karuna Murdaya on December 28th at Balai Agung city hall.

Speaking of the award, he said, "Jakarta Land and Murdaya Group are humbled for the recognition and as always, we are committed in our role as taxpayers to build the city of Jakarta."

**Yours truly,**
