WTC COMMUNITY WEEKLY

Folk traditions

- Originated as a Christian feast day to honour one or two martyrs named Saint Valentine
- Later grew into an occasion in which couples expressed their love for each other by presenting flowers, offering confectionery, and sending greeting cards
- Valentine's Day symbols that are used today include the heart-shaped outline, doves, and the figure of the winged Cupid.

SWEET VALENTINE

The best and most beautiful things in the world sometimes cannot be seen or even touched. They must be felt with heart.

And with Valentine just around the corner, it is only normal if you are starting to feel all lovey-dovey. I remember back in high school where we used to exchange chocolates. The girls give them to boys and the boys would return the favour on the same date in March on White Day.

This is also the week where chocolates and flowers are in high demands. To get a head start, why not secure them from now? Options at WTC include Kemchiks, Guardian, Family Mart and Harvest.

You can also find Valentine's offers at the complex on Instagram @wtc.jakarta. Happy Valentine's Day people ❤️

Yours truly,
