This May so far....

WTC 1 Façade Refurbishment Works

WTC 1 is currently undergoing façade refurbishment works as part of ongoing maintenance and enhancement efforts. As the works progress, gradual updates to the exterior have started to become visible, bringing a refreshed look while preserving the building’s familiar character.

The refurbishment is targeted for completion by the end of Q1 2027, with works being carried out progressively to minimize disruption to daily operations.

Jakarta Snack Dessert Festival Vol. 7

Held on 4–7 May at WTC Conference Hall, this bazaar featured a curated mix of local F&B brands, offering everything from sweet bites to savory comfort food.

Update Paper to Tree Batch 4

Over 858 kilograms of used paper were given a new life in batch 4 collection from February to April. Thank you for your participation!
